

TEXAS ADVISORY COUNCIL ON ARSON

April 24, 2007

Attention: Texas Fire Chiefs/Fire Marshals/SIUs

The Texas **Arson Hotline** is paying off. Calls to the **Arson Hotline** have resulted in 11 arrests/warrants in the past 18 months. We want to keep the momentum going.

To view a copy of our new **Arson Hotline** bumper sticker, go to www.ataconarson.org/bumpersticker.jpg. We would like to see the sticker placed on every emergency fire vehicle in the state. With your help, we can put arsonists out of business in Texas.

Calls to 1-877-4 FIRE 45 are answered 24/7 and every caller remains anonymous. Legitimate calls are forwarded to the State Fire Marshal's Office that passes the information to arson investigators working the fire. Calls that lead to arrests may result in an award.

If you would like additional bumper stickers, please contact Mark Hanna at the Insurance Council of Texas at 512-444-9611. For now the limit is 12, but if we run out we will order more. We want you to have as many bumper stickers as you can use. The bumper stickers are being produced and distributed by A Texas Advisory Council on Arson. (ATAC).

Thank you for your help.

David Mitchell

President

A Texas Advisory Council on Arson
